

U UNBREAKABLE

X-TENDER™

Patented Bicycle & Tire Anti-Theft Accessory

From the makers
of Unbreakable
AutoLock.

HOW IT WORKS:

X-Tender hooks around a pole and attaches to your U-Lock to lock your bike and tires.

SECURITY:

- **Hardened Steel**
- **Cut-Proof**
- **Pry-Proof**
- **Saw-Proof**

CONVENIENCE:

X-Tender stores quickly and compactly on your U-lock or Deuce Lock. Installs in seconds.

U UNBREAKABLE X-TENDER™

Replaces cables that are weak and easily cut.

Installation:

To lock bike:

1. Slide X-Tender around pole.
2. Slide U-Lock through the X-Tender rings and lock.

To lock bike & tires:

1. Slide X-Tender around pole and through front tire.
2. Slide U-Lock through tire & X-Tender rings, then lock.

Storage:

1. Slide U-Lock through X-Tender Rings & Bar.
2. Then lock & secure U-Lock to bicycle.

Step 1

Step 2

To prevent X-Tender from shifting when riding, wrap Velcro® around X-Tender, U-Lock & bike.

Additional Accessories:

**UNBREAKABLE
Deuce Bike Lock**

**Deuce Bike Lock w/
ArmorLite Chain**
